POTTER'S HOUSE MINISTRIES ROMANIA

SEEING LIVES CHANGED

About us

Potter's House Ministries started in 2019. We want to reach the community where we are in Romania with Christ.

Before the Coronavirus, we started an Afterschool program and plan to restart that in the future.

Check out this Ministry Overlook for more of our upcoming ministries.

Goals

- To share the Gospel of Christ and be a light in our community.
- To help house abandoned children in children's homes, where they are loved and cared for.

Christian Maternity Center in Timisoara, Romania

We have a partnership with Casa Mitspa in Timisoara, Romania.

Their organization, MissioLink International, has been around since 2001, and they started Casa Mitspa in 2017 (opening it in 2018). We are committed to fundraising \$3,000 per month for them to help them with their ministry.

Casa Mitspa helps young women who don't have support at home and have an unwanted pregnancy to help them during their pregnancy and up to 2 years afterward (or up to adulthood) to help them raise their baby. They give Christian counseling and make sure they have what they need to raise and provide for their baby.

Upcoming Program

Children's Homes

There are many mothers who abort their child or leave their newborn baby at the hospital, which means that the government has to find places for the babies. Our goal is to help improve their lives through the Gospel and through helping them through these problems.
